GOLDFARB  
 BULLETIN  
 DECEMBER 1938

# A MESSAGE FROM OUR PRESIDENT

Through the medium of the Bulletin, I take the opportunity of extending greetings to our fellow members and readers, particularly on the occasion of Chanukah. The spirit that generally pervades at a time like this ought to imbue us with the fervent zest of rededicating ourselves to the fine principles for which our organization stands. Good comradeship, nobility of purpose, aid and succor to our fellow beings ought to be our goal. Our last meeting proved that we can attain a great deal of success provided we put our shoulders to the wheel. The Goldfarb Society should carve a niche in the history of family organizations. As a pioneer organization, we certainly should display some of that pioneering spirit to maintain constant interest in the development of our Organization.

Let us rekindle the light so that it burn continuously. Let us achieve our hopes and aspirations. Let every member display a little more devotion. Let every member constitute himself a committee of one to stimulate interest in the organization, to bring absentees back to our fold. Let Goldfarb Society be a symbol of friendship and good will.

## AN OPEN LETTER TO THE GOLDFARBS

Dear Cousins:

You will be interested to know that we have succeeded in securing for our Annual Theatre Party, a musical comedy which promises a full evening's entertainment of laughter and song.

The production selected this year by our Theatre Party Committee is "Mazel Tov Rebbi", starring Menasheh Skulnick, Menachem Rubin and a host of other well-known players of the Yiddish Stage. The date - Sunday evening, January 8th, at the Public Theatre.

We need your assistance now, more than ever before. We therefore ask you to please accept the tickets we are sending you. Try to dispose of them among your friends, and ask for more! You will thereby encourage and enable us to continue our very much needed work for our stricken kinsmen in Europe. Don't fail us! Do your share!

Looking forward to the pleasure of greeting you all at our Theatre Party, I am, with every good wish for a very 'frailachen' Chanukah

Sincerely yours,

*Earl Spero*

# OFF THE RECORD

The first meeting of the season was held at the home of Mr. and Mrs. David Erwich, and really was swell. The Erwichs are a couple of aces and they certainly drew a full house...Among other things was a very delightful bar with a wide variety of intoxicating beverages, but I think Cousin Joseph Goldfarb will agree that the most intoxicating thing there was a "Rickie".....The bartenders were Howard, Billie, and Charlie, who should be very successful socially; they're great mixers. ..In the course of new business the meeting took on a very serious note, with Uncles Israel Goldfarb and Earl Spero at the keyboard; 't- was both timely and effective - I hope, I hope, I hope.....How about a small committee to welcome new members to the Goldfarb clan and help them break the ice, instead of dropping them into a sea of uncles, aunts, and assorted relatives, with the present "sink or swim" method? ..Mazel Tov to Rabbi Sidney B. Hoenig on his engagement to Miss Anna Whitehorn....likewise to Mr. and Mrs. Sol Goldfarb (5411-12th Ave. Bklyn.) who were blessed-vented....A Mazel Tov is also due to Earl Spero for having been able to secure tickets for that new show "Mazel Tov, Rabbi"; the tickets are for Sunday evening, January 8th, 1939 and we expect a big turnout.....Don't disappoint us.....Uncle Leo, Aunt Dorothy and Bella Rhine are vacationing in Florida, land of sunshine and good cheer. Our best wishes are with them...While most people are late getting on trains, Lester Rhine is late getting off of them. It seems he got on the train to see his folks off to Florida, and the train pulled out with him aboard...He wound up in Newark, and rushed back to his anxious wife....Does your wife "ride" you? Mac Ebbin has a solution. He bought a bicycle for his wife Sheila; the wife rides the bike instead of the husband, and everyone's happy.....In four wheel vehicles we have Arnold Kneitel's new Pontiac. Good luck with it, pal ...The Spero's are once more in the dough. Earl's mother is in town, and can she bake!!.....Please address all "dirt" to: Column "Mist", Fred E. Grantz, 188 Keap Street, Brooklyn, New York.
